them to travel throughout the State" The reason for giving them the privilege seems to be that such officers are compelled to keep a somewhat elaborate establishment of Conveyances at their cost to enable them to make lengthy tours, which are frequently necessitated in the course of their ordinary duties. Such circumstances do not exist in the case under consideration and the claim for application of Art 592 does not appear warranted -

Letter dated the 17th January 1913 from Mr P Sampath Iyengar M A to J G Tait, Esq M A Principal Central College Bangalore

Enc 6 Edn 267-12-

I am sending herewith my T A Bills for December 1912 and January 1913 You will find on perusal that I have claimed (a) mileages for distances less than 20 miles on the 25th 26th 27th and 29th December 1912 and also (b) mileages in continuation of Railway journey on the dates 20th 21st and 23rd December 1912 and on 5th January1913

On a previous occasion the mileage allowances thus claimed were not sanctioned on the score that I did not travel fully 20 miles and the audit officer seems to have applied clause (ii) of Art 591 (IV Edition) of Mysore Service Regulations Even distances travelled by road in continuation of a Railway journey when less than 20 miles were not admitted

My duties as Professor of Geology at the College require me to take the students on Geological Excursion trips through several districts in the Province as well as to localities outside the Province The nature of the Survey work done in these trips is very much akin to that of the officers of the Geological Department who are reckoned as Provincial officers Under such circumstances Art 592 ought to apply in calculating mileage rates and not Art 591 The same ruling has to apply also to the demonstrator in Geology

Please therefore be good enough to make a reference to the Government to include us under the category of Provincial officers drawing mileages as per Article 592

With reference to Government Order No 5277-8/Edn 211-12-14 dated 22nd January 1913 I have the honour to forward for favour of audit two Travelling Allowance bills of Mr P Sampath Iyengar Professor of Geology and a letter from Mr P Sampath Iyengar requesting that a reference should be made to Government to include the Geology Demonstrator and himself under the category of Provincial officers drawing mileage as in Article 592 of the Mysore Service Regulations

2 As Mr P Sampath Iyengar is an officer of the Geological Department and as his duties on a Geological Excursion closely resemble the duties of the officers of the Geological Department, I have the honour to recommend that a reference should be made to Government on the point

From M Shama Rao Esq M A
Offg *Inspector General of Education in Mysore*

To K P Srinivasiengar Esq I A ,
Offg Secretary to the Government of His Highness
the Maharaja of Mysore General & Revenue Departments

Sir

I have the honour to bring to your notice that Mr P Sampath Iyengar Geology Professor Central College Bangalore has hitherto been allowed mileages under Article 591 of the Mysore Service Regulations i e he does not get mileages for marches of less than 20 miles He now represents that his duties in connection with the Geological Excursion trips which are only two in a year closely resemble the survey work of the officers of the Geological Department and urges that he may be treated along with the Geological Demonstrator as a Provincial officer for purposes of mileage under Article 592 Mr Tait supports Mr Sampath Iyengar Under these circumstances I recommend that Mr Sampath Iyengar and the Geology Demonstrator may be kindly included in the list of Provincial officers for purposes of mileage under Article 592 when they go on Geological Excursions Copies of letters from Messrs Sampath Iyengar and Tait on the subject are enclosed for kind perusal

I have the honour to be
